**The Master Elite IRA Advisor Group™** is an invitation-only group of outstanding financial experts dedicated to solving the country's biggest and most complex financial problem—effectively managing the distribution of assets from Individual Retirement Accounts (IRAs) for participants and their heirs.

Harry Rubins qualifies to be a **Master Elite** member through his demonstration of professional commitment providing the best possible advice to clients along with a superior understanding and depth of the complicated issues and constantly changing tax laws pertaining to IRAs, and most notably those related to taking distributions from these accounts.

The group's founder, Ed Slott, CPA, is nationally recognized as an unparalleled expert on all issues relating to IRAs and retirement accounts and is the author of *The Retirement Savings Time Bomb* and *Parlay Your IRA into a Family Fortune*. Mr. Slott personally trains his Elite team of IRA experts.

"Since IRAs were first established, the only thing most advisors and investors have worried about is how to get money into them. The real issue now is how to get money out of their IRAs correctly without losing an undue amount to taxes or penalties," Mr. Slott said. **"The Master Elite IRA Advisors Group members not only know what to look for, they know what to do."**
